Housing Programs

In 2015, our Center for Financial Advancement provided, foreclosure counseling, homebuyer education counseling and financial capability to **419** clients.

310 clients received foreclosure counseling and over

\$117,000

was distributed to help people pay their property taxes so they could remain in their homes.

109 clients received Homebuyer Education services where 55 went on to purchase a home and 32 received down payment assistance averaging \$7,500.

Over **300** clients completed our financial counseling, of which 85% were able to find money within their budget to save or use toward paying down debt.

Our overall goal is to help our clients maintain financial self-sufficiency and achieve economic security in an effort to inevitably build wealth.

Youth Programs

Girl Talk

Our female mentoring program provides an environment for students to openly discuss issues related to self-image, anger management, goal setting, and social skill development. **82%** saw an improvement in self confidence and **94%** were able to solve problems and handle conflict better.

Over
62
girls participated

Checkmate

This program teaches children how to play chess while enhancing their decision making and strategic thinking skills.

Over

20

kids participated

Jr. Achievement

In partnership with Flagstar, this four week summer program teaches middle and high school students basic banking, entrepreneurship and financial literacy skills. After completing the program,

85% of our students said they were inclined to save money for their future.

Over

27

kids participated

Jr. NBA

Over **165** youth participated in our basketball league and clinic. This program teaches the fundamentals of basketball, confidence building, discipline, teamwork and competition through sports.

Family Programs

The Village Family Reunification Program

This program provides support to families who are in need of short-term counseling, and/or therapy to help deal with family dynamics. In 2015 we served families.

58

Healthcare Advocacy

60% of housing counseling clients received information and referral for free, low cost or no cost healthcare services. This has increased their disposable income, and improved their wellbeing.
